**EDUCATION** • Bachelor of Science in Business Management from North Carolina State University

## PROFESSIONAL COMPETENCIES & EXPERIENCE

Etoria brings her knowledge about human resources, business management, project management, customer service, sales, and marketing to APLS Group. She is passionate about people and helping others; her calm, deliberate demeanor fosters open communication across organizations and groups.

Etoria has been an active and vital member of the APLS Group team since 2013, when she was recruited to create operational systems for our new product line, Everything DiSC®. Etoria transitioned into the role of a facilitator in early 2020, where she focuses on interpersonal skills primarily with individual contributors. As a facilitator, her sincere, cooperative approach allows her to connect well with her audience on an honest, personal level.

## HER CERTIFICATIONS INCLUDE:

- Certified Everything DiSC® Facilitator
- Dale Carnegie Certified
