PROFESSIONAL COMPETENCIES & EXPERIENCE

As a talented facilitator, coach, and leadership development professional, Paige partners with her clients to identify and solve their professional needs. To support her clients to achieve their desired business results, she assists them with clarifying their career and life goals in order to create action plans. Paige is passionate about ensuring the success of individuals who are facing a variety of changes and empowering them to continuously repeat that success. In addition to her distinctive collaborative and inspirational leadership style, her exceptional client relationship skills have earned her a reputation for service excellence.

HER CERTIFICATIONS INCLUDE:

- Everything DiSC suite of products
- Covey 7 Habits Foundations
