EDUCATION • B.S. in Education from Arkansas State University

PROFESSIONAL COMPETENCIES & EXPERIENCE

Tamara provides world class facilitation to partners utilizing customized and off-the-shelf talent development programs. As a certified educator, instructional consultant, and project team leader, she collaborates with clients to develop strategies to meet organizational goals and supports them in implementing strategies. Tamara's experience includes leading design teams through the development of training materials for processes and procedures, facilitating groups, developing executive leadership, and creating communities of practice. She has more than 20 years of experience in designing and developing instructor-led and web-based courses in the information technology, pharmaceutical, financial, medical, and education sectors. She is a former member and president of the ATD-Research Triangle Area Chapter (ATD-RTA).

HER CERTIFICATIONS INCLUDE:

- Everything DiSC® Facilitator
- Everything DiSC® Suite of Products
- Covey's 5 Choices, Presentation Advantage, and Project Management Essentials
